Start times between 10:00am and 2:00pm

Pre-Registration requested. (Link coming soon. Email below with questions)

Beginner instruction available (free)

Where: Silas Condict Park

100 Kinnelon rd, Kinnelon

How much: from \$15 indiv./\$20-30 per group
(max 6 per group)

What to bring: water, dressed for the weather and a hike/run in the woods (sneakers might get muddy), a compass if you have one (we have some to lend you if you don't).

What is ORIENTEERING?

Orienteering is a fun sport which is something like a race with a treasure map. During an energizing run or hike, participants find checkpoints in the park with the help of a map and a compass. Since you use map-reading and compass skills, it is a race that requires using your head to find your way...cunning running!

We look forward to sharing this great activity with you!
