

Summer Termination Program

Dear Customer:

Are you having trouble paying your electric, sewer and/or water bills?

If the answer is yes, you may be able to temporarily stop your service from being disconnected through the State's Summer Termination Program.

The Summer Termination Program prevents service discontinuation for eligible households from June 15th through August 31st.

Your service cannot be disconnected from June 15th through August 31st if you are receiving benefits from one of the below programs:

1. Federal Home Energy Assistance Program (HEAP).
2. Temporary Assistance to Needy Families (TANF).
3. Federal Supplemental Security Income (SSI).
4. Pharmaceutical Assistance to the Aged and Disabled (PAAD).
5. General Assistance (GA) benefits.
6. Universal Service Fund (USF).
7. Low-Income Household Water Assistance Program.
8. Lifeline Credit Program
9. State or local program that provides assistance, specifically, to help eligible customers pay electric, sewer, or water bills.

You may also be eligible if you are unable to pay your utility bills because of circumstances beyond your control, such as being unemployed, illness, medical-related expenses, recent death of an immediate family member, or any other circumstances that might cause financial hardship.

To qualify for the Summer Termination Program, please send an email to kinnelonboro.org to notify the water department of your participation.

Please visit the DCAid website <https://dcaid.dca.nj.gov/en-US/are-you-eligible/> OR call NJ211 (dial 2-1-1) for possible assistance with your past-due bills.
